HEAVY **HD** DUTY

Get into gear with GSPXTV's most popular product line. GSPXTV Heavy Duty (HD) Axles provide the quality and durability that a replacement part needs. HD Axles are high-quality enough to not leave you stranded but at the same time affordable enough to carry a spare. Casual driver? Weekend Explorer? Like to go fast but lacking a racer's budget? This axle is perfect for you!

- Manufactured with high performance Moly grease for optimal performance at high temperatures and resistance to friction in the most extreme conditions
- Heavy Duty Center Shafts use industry leading alloy material to increase strength over OE axle
- Oversized CV joints dramatically improved strength for higher articulation angles
- ***Not intended for use in lifted vehicles***
